Where Romance, Victorian Elegance & Southern Hospitality Bloom

## Wedding Packages, Rates & Information

The Mountain Rose Inn provides a natural outdoors setting for weddings. The Inn's front lawn and pool area are suited for outdoor weddings with no more than 75 guests in attendance. The front boxwood garden is in the shape of a Celtic cross which signifies eternal love. Beyond the garden is the beautiful Rock Castle Creek which provides a lovely trickle of nature's own music. The lawn is large enough to accommodate tents, dance floors, and caterers.

The Inn's wedding package is based on a two-day event. This may be lengthened for an additional fee, but not shortened. The Inn is available to you from 3 pm on the day of your arrival through 11am on the day of your departure. You may use the Inn for any combination of your rehearsal, rehearsal dinner (up to 12 people if held inside), wedding and reception during that time frame. Below you will find a list of several very good restaurants that are specifically set up for large rehearsal dinners and receptions. While the Inn is unable to provide catering for more than 12 people, outdoor seating, tents or other wedding accessories, we will be happy to refer you to those who do. See our list below.

Our wedding package includes the use of all 5 guest rooms in the Inn for overnight lodging for two nights, a four-course breakfast each morning and use of the grounds for the wedding activities.

Additional wedding packages can be created to meet specific needs. Wedding package prices are based on the number of guests and wedding events.
